

Plainfield Water/Waste Water Commission

DRAFT Meeting Minutes for March 1, 2017 Subject To Approval

Present: Mary Lane, Tim Phillips, Jim Jamele

1:00 PM - Meeting called to order.

Jacob Drown - a former operator for the Plainfield system - is available to work weekends to give Tristan some respite while Greg is laid up. Jacob is a licensed operator and knows the system. He understands he needs to provide his own liability insurance.

The Commission approved hiring Jake to work as a limited term appointment while Greg is in recovery from his shoulder surgery. The Commission approved paying Jake at the same rate Tristan gets as Jake will have to pay for his own insurance.

1:15PM meeting adjourned.
